

# DEF STORAGE SOLUTION

## Still hauling around jugs?

You know how important DEF is these days. You can't do business without it. You would like to buy in volume to save money, but storage is a big problem and wintertime poses even more issues. **Thankfully, Nortrax has the answer:**

## HEATED 65 GALLON DEF PDU METAL BOX

Protect your DEF and transport in bulk with this heated 65 gallon metal box with a poly PDU inside, and a removable pump kit and manual nozzle.

- Specifications:**
- Pump carries an industry best five-year warranty
  - Capacity: 65 gallons (246 liters)
  - Dimensions: 48" L x 30" W x 33½" H
  - Offers two filling options (both are tamper evident)
  - All wetted parts are compatible with DEF
  - Pump recess area can easily be rinsed and cleaned, draining contents out from the front plug
  - Has integrated recesses for securing with ratchet straps
  - Has integrated fork lift pockets to move when tank is full. Also has handles for lifting and carrying when empty
  - Trim is bolted to finish the box
  - Spray foam is applied to control temp
  - Two locking arms
  - Metal lockable box
